**We are doing great things but we need your help!!!**

**Mission Statement:** Pheasants Forever is dedicated to the conservation of pheasants, quail, and other wildlife through habitat improvements, public awareness, education, and land management policies and programs.

**Fact:** Since 1982, we have conserved over 12 million acres of habitat, and have impacted 300,000 youth and novice hunters through outdoor experiences and educational events!

**Fact:** The money raised by our chapter resides with our chapter to decide how it's allocated.

Locally, the Northern Colorado Chapter of PF prides itself on outreach activities, involving youth in the great outdoors, supporting habitat improvement in Eastern Colorado, and supporting conservation through impacting Federal policy in our Nation's capital. In 2016 our chapter received the No Child Left Indoors® national award; presented to the #1 chapter in the nation for youth outreach efforts. This past year we hosted 17 separate outreach events, logged over 1,900 volunteer hours, and impacted close to 700 youth and their parents. **Expenditures over the last two years validate our commitment to the many efforts we support.
