**Mission Statement:** Pheasants Forever is dedicated to the conservation of pheasants, quail, and other wildlife through habitat improvements, public awareness, education, and land management policies and programs.

**Fact:** Since 1982, we have conserved over 12 million acres of habitat, and have impacted 300,000 youth and novice hunters through outdoor experiences and educational events!

**Fact:** The money raised by our chapter resides with our chapter to decide how it's allocated.

Locally, the Northern Colorado Chapter of PF prides itself on outreach activities, involving youth in the great outdoors, supporting habitat improvement in Eastern Colorado, and supporting conservation through impacting Federal policy in our Nation's capital. In 2016 our chapter received the No Child Left Indoors® national award; presented to the #1 chapter in the nation for youth outreach efforts. This past year we hosted 15 separate outreach events, logged over 2,270 volunteer hours, and impacted close to 650 youth and their parents. **Expenditures over the last two years validate our commitment to the many efforts we support. Allocations include:**

- Outreach - focused primarily on youth; 2017 and 2018 cumulative.....\$67K

## Fundraising Banquet

March 2nd, 2019 – Ellis Ranch, Loveland

**Our Focus: Involving youth in the great outdoors, and habitat conservation projects**

**What we're asking: Donations, Sponsorships, and Underwriting**

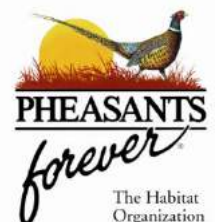

The Northern Colorado Chapter of Pheasants Forever (NOCOPF), one of more than 700 chapters nationally, needs your help with our annual fundraising banquet. We represent the hunter conservationist who wants to make a difference through habitat conservation, wetland restoration, the acquisition of critical wildlife lands for public access, and the preservation of our hunting and conservation heritage. We are currently seeking cash and merchandise donations that will help to raise money for youth outreach activities, and habitat conservation projects; our two areas of focus. Further, virtually 100 percent of the funds raised by our chapter, exclusive of national membership fees, remain with the chapter, whom decides how to utilize the funds raised. **The bottom line; the donations and sponsorships you provide are utilized in the community you belong to.** Below are just a few of great things we've accomplished with the funds raised.

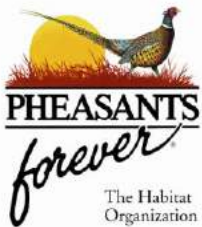

### Northern Colorado Chapter Highlights:

- **Recipient of the 2016 No Child Left Indoors® national award; the organization's highest honor for chapters involved in engaging the next generation of hunters and conservationists.**
- In 2018 alone, we hosted 15 separate outreach events, logged over 2,270 volunteer hours, and impacted close to 650 youth and their parents.
- Included in this year's events were youth and ladies outdoor days, TUNE camps, a pheasant hunt for veterans, an outdoor event for young people who were suffering from all stages of cancer. Activities available during these events include trap shooting, .22 shooting, archery, fishing, pheasant hunts and more! We had 54 youths and 3 councilors received their hunters Ed, at Calwood TUNE CAMP.
- In 2016, we contributed \$30,000 towards Corners for Conservation, a partnership program with Colorado Parks and Wildlife. The goal of this program is to provide the best habitat for pheasants and other wildlife in Eastern Colorado AND open this ground to public hunting through the Walk-in-Access program. In its first year, 677 acres or 82 corners were enrolled in the program.
- We have contributed \$20,000 for no-till drills that are used for habitat improvement projects in Eastern CO. We now have two drill on the ground in Colorado.
- At the state level, over \$13.3 million has been raised in Colorado.
- We contribute thousands of dollars annually for the three state biologists that work to enhance habitat on the Eastern plains. We will continue to contribute this funding as **they continue to impact thousands of acres per month.**
- Each year additional proceeds are donated to various other habitat projects, outreach activities, the national PF Legislative Action Fund, and our national No Child Left Indoors Fund.

**Thank you for your time and consideration.**
