Pheasant Forever
Northern Colorado Chapter #395
29th Anniversary Fundraising Banquet
March 7th, 2020 - Loveland

BECOME A SUPPORTER OF A GREAT CAUSE!
We are doing great things but we need your help!!!

Mission Statement: Pheasants Forever is dedicated to the conservation of pheasants, quail, and other wildlife through habitat improvements, public awareness, education, and land management policies and programs.

Fact: Since 1982, we have created or enhanced over 15.8 million acres of habitat, and have impacted 300,000 youth and novice hunters through outdoor experiences and educational events!

Fact: The money raised by our chapter resides with our chapter to decide how it's allocated.

Locally, the Northern Colorado Chapter of PF prides itself in outreach activities, involving youth in the great outdoors, supporting habitat improvement in Eastern Colorado, and supporting conservation through impacting Federal policy in our Nation's capital. In 2016 our chapter received the No Child Left Indoors® national award; presented to the #1 chapter in the nation for youth outreach efforts. Each year we host more than a dozen outreach events, log over 2,000 volunteer hours, and impact more than 400 youth and their parents....**EVERY YEAR!** Expenditures over the last three years validate our commitment to the many efforts we support. Allocations include:

- Outreach - focused primarily on youth;\$75K
- Corners 4 Conservation (improves habitat in Eastern CO and opens access to public hunting).....\$32.5K
- No Child Left Indoors program;\$45K
- Legislative Action Fund (to help ensure Federal policy is beneficial to wildlife);\$45K
- No-till grass drills for Eastern CO;\$20K
- Farm Bill biologists in Eastern CO and Craig, CO.....\$35K
- **Total.....\$252.5K**

Please support the cause; become a 29th anniversary sponsor today!

Sponsors receive the following benefits:

- Recognition in our program and on our website * Bottomless Beer cups for you and your guests
- Sponsor Drawing: We will be giving away a firearm for every 10 sponsorships received

Diamond Level Gift Options: Choice of 35 different items, including 18 different quality firearms. Great brands include Browning, Henry, Benelli, Savage and more. See flyer labeled "Flusher's Favorite Raffle," for details.

Double Diamond Level Gift Options: Pheasants Forever semi-automatic Shotgun of the Year! **Choice of a Winchester SX-4 or a Franchi Affinity 3.** Limited quantity available. A \$1,000 gift card to the PF store is also available.

Note: All above levels assume cash sponsorship. If merchandise or services are donated, determination of sponsorship level will be the sole discretion of our banquet chairs.

Northern Colorado Chapter of Pheasants Forever (#395)

Fundraising Banquet

March 7th, 2020 – Ellis Ranch, Loveland

Our Focus: Involving youth in the great outdoors, and habitat conservation projects

What we're asking: Donations, Sponsorships, and Underwriting

The Northern Colorado Chapter of Pheasants Forever (NOCOPF), one of more than 700 chapters nationally, needs your help with our annual fundraising banquet. We represent the hunter conservationist who wants to make a difference through habitat conservation, wetland restoration, the acquisition of critical wildlife lands for public access, and the preservation of our hunting and conservation heritage. We are currently seeking cash and merchandise donations that will help to raise money for youth outreach activities, and habitat conservation projects; our two areas of focus. Further, virtually 100 percent of the funds raised by our chapter, exclusive of national membership fees, remain with the chapter, whom decides how to utilize the funds raised. **The bottom line; the donations and sponsorships you provide are utilized in the community you belong to.** Below are just a few of great things we've accomplished with the funds raised.

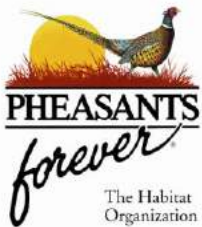

Northern Colorado Chapter Highlights:

- **Recipient of the 2016 No Child Left Indoors® national award; the organization's highest honor for chapters involved in engaging the next generation of hunters and conservationists.**
- In 2019 alone, we hosted 12 separate outreach events, logged over 2,470 volunteer hours, and impacted more than 500 youth, their parents, and other novice hunters.
- Included in this year's events were youth and ladies outdoor days, TUNE camps, a pheasant hunt for veterans, archery activities at schools, and more. Activities available during these events include trap shooting, .22 shooting, archery, fishing, pheasant hunts and more!
- We have contributed \$32,500 towards Corners for Conservation, a partnership program with Colorado Parks and Wildlife. The goal of this program is to provide the best habitat for pheasants and other wildlife in Eastern Colorado AND open this ground to public hunting through the Walk-in-Access program. In its first four years, 403 corners totaling 3,337 acres have been enrolled in the program.
- We have contributed \$30,000 for no-till drills that are used for habitat improvement projects in Eastern CO. We now have three drills on the ground planting the best habitat in Colorado.
- We contribute thousands of dollars annually for the three state biologists that work to enhance habitat on the Eastern plains. We will continue to contribute this funding as **they continue to impact thousands of acres per month.** A fourth biologist has been added in Craig, CO, and is focused on Sage Grouse habitat, which we all know benefits many other species.
- Each year additional proceeds are donated to various other habitat projects, outreach activities, the national PF Legislative Action Fund, and our national No Child Left Indoors Fund.

Thank you for your time and consideration.
